

Associate Professor (Clinical)

[Apply Now](#)

Company: The Chinese University of Hong Kong

Location: Hong Kong

Category: educational-instruction-and-library

Description

Department/Unit: Department of Orthopaedics and Traumatology

Closing Date: Until the post is filled

The Department is looking for a high-calibre professional for the post of Associate Professor (Clinical) in Orthopaedics & Traumatology.

Applicants should have (i) a medical qualification (approved for registration with The Medical Council of Hong Kong); (ii) a specialist qualification in orthopaedic surgery which is comparable to the requirement of the Hong Kong College of Orthopaedic Surgeons; (iii) post-qualification experience in relevant discipline; and (iv) a track record of teaching and student supervision, interdisciplinary research, publication and grant proposal writing.

The appointee will (a) provide clinical services; (b) conduct research and clinical trials; (c) teach undergraduate and postgraduate courses; and (d) undertake administrative duties in the Department, Faculty and University. The appointee will work mainly at the Prince of Wales Hospital and hospitals in the New Territories East Cluster. Further information about the scope of services provided by the Department is available at
