

## Clinical Educators

[Apply Now](#)

Company: City University of Hong Kong

Location: Hong Kong

Category: computer-and-mathematical

### Duties

The Department of Veterinary Clinical Sciences is recruiting experienced veterinary professionals as Clinical Educators to support faculty in the training of undergraduate veterinary students to achieve Day-one competences. Clinical Educators from diverse fields, including but not limited to production animals and small animals, will teach across the BVM curriculum with a strong focus on delivering practical, hands-on clinical training. Training in teaching skills will be provided to appointees. Main duties include to:

Supervise, support and assess undergraduate student learning on clinical rotations, in the clinical skills laboratory and in practical classes;

Assist with the development and implementation of course-based materials and resources;

Provide administrative support to academic faculty in teaching and learning;

Contribute to clinical service depending on their own discipline expertise; and

Perform any other duties as assigned.

### Requirements

A degree in Veterinary Medicine registerable with the Veterinary Surgeons Board of Hong Kong with at least 5 years' working experience. Candidates with advanced clinical training or experience in education are preferred. Individuals planning to develop a career in

veterinary academia are encouraged to apply.

Candidates with advanced veterinary nursing/technician qualifications or equivalent with not less than 7 years' relevant experience may be considered for appointment as Scientific Officer.

### **Salary and Conditions of Service**

Remuneration package will be highly competitive, commensurate with qualifications and experience. Appointment will be made on a fixed-term contract; fringe benefits include gratuity, leave, medical and dental schemes.
