Company: City University of Hong Kong

Location: Hong Kong

Category: educational-instruction-and-library

Duties

The appointee will actively contribute to the missions of Clinical Sciences to train highly professional veterinary clinicians, to advance animal health through cutting-edge clinical research and to engage with and support the local community. The appointee will provide didactic and laboratory teaching, and clinical teaching in the context of their clinical diagnostic service. The appointee will help students integrate and apply knowledge, skills and professional attitudes; provide clinical service; and take up administrative work and other duties to facilitate the development of the College and its Departments as a whole. Active involvement in research is expected.

Requirements

The appointee shall possess a veterinary qualification recognized for registration as a veterinary surgeon in Hong Kong with degrees in Doctor of Veterinary Medicine (DVM) or Bachelor of Veterinary Science (BVSc), or equivalent in all appointments. Board certification (European, Australian/New Zealand, American, or equivalent Boards) in the relevant discipline is required for appointment at Clinical **Associate Professor** level or above. For Clinical **Assistant Professor**, credentials for Board certification should be completed, or near completion. Experience in clinical teaching, service and research is required. A PhD is preferred.

Salary and Conditions of Service

Remuneration package will be driven by market competitiveness and individual performance. Excellent fringe benefits include gratuity, leave, medical and dental schemes, and relocation assistance (where applicable). Initial appointment will be made on a fixed-term contract.
