Company: City University of Hong Kong

Location: Hong Kong

Category: educational-instruction-and-library

Duties

The appointee will actively contribute to the missions of VCS to train highly professional veterinary clinicians, to advance animal health through cutting-edge clinical research and to engage with and support the local community. The appointee will teach across the BVM curriculum to ensure that students can attain Day 1 competences by integrating and applying knowledge, skills and professional attitudes. The appointee will provide didactic and laboratory teaching. They will also support students on clinical rotations which begin in 2022. The appointee will take up administrative work and other duties to facilitate the development of the College and its Departments as a whole. Involvement in clinical research is supported and encouraged.

Requirements

The appointee shall possess a veterinary qualification recognized for registration as a veterinary surgeon in Hong Kong with degrees in Doctor of Veterinary Medicine (DVM) or Bachelor of Veterinary Science (BVSc), or equivalent in all levels of appointments. Board certification (European, Australian/New Zealand, American, or equivalent Boards) in the relevant discipline is required for appointment at Clinical Associate Professor level or above. For Clinical Assistant Professor, credentials for Board certification should be completed, or near completion. In some cases, a PhD with advanced training in the relevant clinical discipline may be considered as equivalent to board certification. Experience in clinical teaching, service

and research is required. A PhD is preferred for clinical track and essential for tenure track.

Salary and Conditions of Service

Remuneration package will be driven by market competitiveness and individual performance.

Excellent fringe benefits include gratuity, leave, medical and dental schemes, and relocation assistance (where applicable). Appointment will be made on a fixed-term contract.
