Description

We have vacancies in various clusters

Rank

Radiation Therapist II

Pay

HK\$33,380 to HK\$53,942 per month (HGPS PT 14 - 24) (including Monthly Allowance)

Job

Undertake a broad portfolio of radiotherapy procedures in the delivery of care for radiotherapy patients. Be an integral member of the radiotherapy team to ensure the delivery of high quality clinical care.

Requirements

- 1.A degree in Radiography (Therapy) from a university in Hong Kong or equivalentN1.
- 2.A Certificate of Registration (Category T) (Part I or II) and a valid Practising Certificate issued by the Radiographers Board, Hong Kong.N2.

Preferred Attributes / Exposure

- 1.Fluency in written English and Chinese as well as spoken English and Cantonese.
- 2.Communication skills.
- 3.Empathy.
- 4.Commitment to patient care.
- 5.Leadership.
- 6.Interpersonal skills.

N1 Please refer to the Registrable Qualifications under section 12(1)(b) of the Supplementary Medical Professions Ordinance (SMPO) for Radiographers (Category: Therapeutic) on the Radiographer Board, Hong Kong website:

N2 Application for Certificate of Registration (Category T) (Part I or II) and Practicing Certificate:

Registration and Employment Visa

The HA will arrange selection interviews with shortlisted candidates and will support applications of suitable candidates to Radiographer Board for Professional Registration under section 12(1)(b) of the SMPO.

The HA will also assist successfully registered candidates who are non-Hong Kong residents in obtaining employment visa from the Hong Kong Immigration Department prior to commencement of work.

Appointed candidates pending for Registration (Category T) (Part I or II) under Radiographers Board, Hong Kong, would be offered a temporary part-time appointment as Temporary Undergraduate Radiation Therapy Students (TURT) with an hourly rate of HK\$117. Once the registration and practicing certificate are obtained, the contract would be converted from TURT to contract full-time Resident Radiation Therapist.

Remarks

1. Post-graduate applicants will be required to upload (1) final year transcript / school examination results of your professional studies, (2) all clinical placement results, (3) Certificate of Registration / Membership of your current registration status with the jurisdiction in which your qualification was conferred, and (4) documentary proof of your post-graduate clinical experience in the Attachment Upload page when making online application. Application will only be processed with relevant supporting documents.
2. For graduates whose final year transcripts are not available, please attach school examination results of all school years currently available for reference.
3. Appointment will be on contract terms for a period of 1 – 3 years. Up to 15% of total basic salary (after deducting the contribution of Mandatory Provident Fund by Hospital Authority) as end-of-contract gratuity may be offered upon completion of contract with satisfactory performance.
4. Appointed candidates may be required to work shifts and irregular hours as well as to perform on-call duties.
5. Selected applicants will be subject to central posting and may be required to work in another

work location to meet service needs of the HA.

Please submit application on-line on or before **31 March 2024** .
