

Scientific Officer (Multiple Veterinary Species)

[Apply Now](#)

Company: City University of Hong Kong

Location: Hong Kong

Category: other-general

Duties

include to:

Teach, support and assess undergraduate students' veterinary clinical skills in tutorials, field trips, practical classes and other training activities;

Tutor problem-based learning courses in the BVM curriculum;

Provide clinical veterinary services in one or more veterinary species as required to support JCC BVM students during clinical placements;

Assist with the development and implementation of course-based materials and resources;

Provide administrative support to academic faculty for teaching and learning such as managing course content on the JCC's online learning platform and assessment activities; and

Perform any other duties as assigned.

Requirements

A Bachelor's degree in veterinary medicine registerable in the Veterinary Surgeon's Board of Hong Kong with a valid Practicing Certificate and not less than 5 years' working experience in a veterinary clinical environment are required. Experience as a clinical

veterinarian is essential.

The ability to speak Cantonese and/or Mandarin is desirable but not essential. Additional qualifications or experience in veterinary education would be an advantage.

Salary and Conditions of Service

Remuneration package will be highly competitive, commensurate with qualifications and experience. Initial appointment will be made on a fixed-term contract; fringe benefits include gratuity, leave, medical and dental schemes.
