## Technical Superintendent

[Apply Now](#)

Company: Comaea Consulting

Location: Hong Kong

Category: other-general

Comaea Consulting has been retained exclusively for a new opportunity with a MNC in the shipping industry. Technical Superintendent (Based in Hong Kong) ORGANIZATION :As a key person in the Technical Department, you will be in charge of the technical and general management of a fleet of merchant vessel and report to the management team. Your tasks include budget control, managing repair and maintenance of the vessel assigned, compliance with regulatory requirements and beyond. A team of technical superintendents and purchasers will assist you. YOUR RESPONSIBILITIES: Budget management: Take full responsibility for the budgets of assigned ships. Liaise closely with the technical, purchasing, and finance teams to ensure the budget is within the agreed target. Manage dry-docking of the vessels within allotted budget limits. Relationship management: Build and maintain close relationships with the clients, ships crew and ship management teams, and onshore teams. Technical management and operations: Planning and allocation of resources, setting processes, implementing improvement plans in a rigorous and structured way for planned and routine maintenance of the ships under your charge. Health, Safety and Environment Compliance: Responsible for creating and maintaining a safe and compliant working environment as per procedure and work towards quality and continuous improvement. Requirements You must be a qualified Marine Engineer, or equivalent diploma holder in marine/navigation Minimum 1 to 2 years of experience in a shore based position as a Superintendent. Experience sailing on Bulk Carriers or Tanker Vessels as a Chief Engineer is preferred. Experience in managing dry docking at shipyards is required. Business acumen with capability to manage the budgetary responsibilities for multiple vessels. People

oriented and passionate about developing shipboard and shored based teams. Able to multitask and work under pressure to meet deadlines. Well updated with the latest regulatory requirements and its implementation. Benefits A competitive remuneration package with benefits. Opportunities to grow your career and move to management positions in the future. Work with a leading MNC in the industry. RECRUITMENT PROCESS:Please apply with an updated resume and complete sea experience.All applications will be treated as strictly confidential. Our team will review your application and a consultant will get in touch with you accordingly. Comaea Consulting EA Licence No: 15C7642 Reg No: R1109869
